

Trait Distributions

Item True Score Functions – Item 2

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 3

Differences in Item True Score Functions

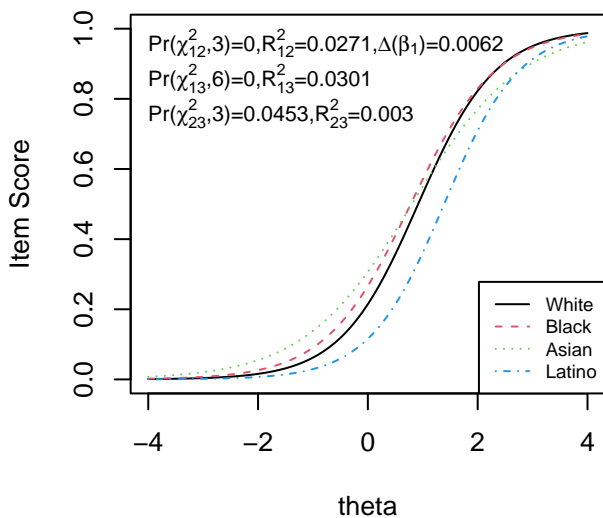

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 4

Differences in Item True Score Functions

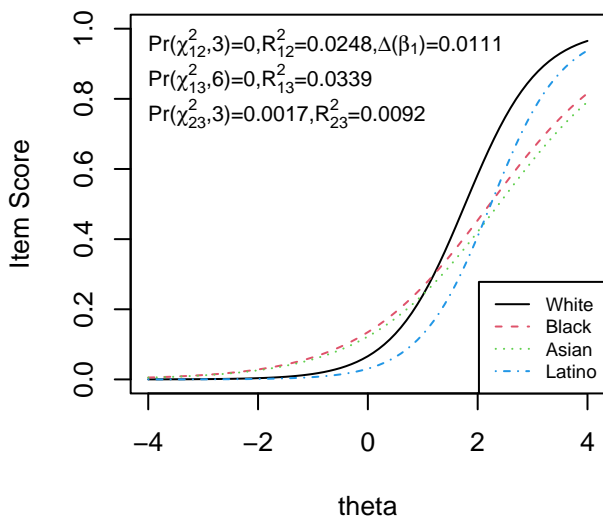

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 5

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 6

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 7

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 8

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 10

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 11

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 13

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 14

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 16

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 17

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 18

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 20

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 22

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 23

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 24

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 25

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)

Item True Score Functions – Item 26

Differences in Item True Score Functions

Item Response Functions

Impact (Weighted by Density)
